Wiebke Weber

Pompeu Fabra University

Abstract

The abstract of the article.

Keywords: R, measurement error.

1. Introduction

This template demonstrates some of the basic latex you'll need to know to create a JSS article.

1.1. Code formatting

Don't use markdown, instead use the more precise latex commands:

- `Java`
- `plyr`
- `print("abc")`

2. R code

Can be inserted in regular R markdown blocks.

```
R> x <- 1:10  
R> x
```

```
[1] 1 2 3 4 5 6 7 8 9 10
```
